|  <b>Glossary</b>  | <a href="#">View Full Glossary</a> |
|---|------------------------------------|
| <b>First Owner</b><br>When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.  |                                    |
| <b>Ownership History</b><br>CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history. |                                    |
| <b>Rental</b><br>Vehicle was registered by a rental agency.   |                                    |
| <b>Title Issued</b>   |                                    |

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
