Accessorize Accordingly

YOUR CAR SAYS SOMETHING ABOUT YOU. TELL IT WHAT TO SAY.

IN THE INTEREST OF SUITING YOUR SCION TO YOUR PERSONALITY AND TASTES, WE OFFER A VARIETY OF ACCESSORIES. AND NOT JUST AVERAGE STUFF LIKE FLOOR MATS AND TRUNK ORGANIZERS. THINK MORE ALONG THE LINES OF STRUT BARS, AND SUBWOOFERS, COMPONENTS THAT WILL COMPETE WITH WHAT YOU'LL FIND IN ANY AFTERMARKET SHOP. AND OUR ACCESSORIES WON'T VOID YOUR FACTORY WARRANTY; IN FACT, THEY'RE ALL COVERED UNDER THE SCION WARRANTY.

THAT'S THE GOOD NEWS. THE BETTER NEWS IS THAT YOU BUY EACH SCION ACCESSORY SEPARATELY. THAT MEANS NO OVERSTUFFED AND OVERPRICED "FACTORY PACKAGES" CHOCK FULL OF FEATURES YOU NEVER EVEN ASKED FOR. INSTEAD, YOU PICK AND CHOOSE EVERY SINGLE ADD-ON YOU WANT. YOU WANT 7-SPOKE WHEELS, THAT'S ALL, NOTHING ELSE? AS YOU WISH.

ALL OF THE EXTRAS YOU CHOOSE CAN BE INSTALLED BY YOUR DEALER BEFORE YOU EVEN PURCHASE YOUR SCION (EXCEPT THE TRD SUPERCHARGER). JUST GO TO SCION.COM AND CONFIGURE YOUR CAR, SEND THE INFO TO YOUR NEAREST DEALER, AND YOUR SCION WILL BE CUSTOMIZED AND DELIVERED EXACTLY PER YOUR SPECIFICATIONS. OR IF YOU WANT TO KEEP IT STOCK FOR NOW AND ADD ACCESSORIES LATER, THAT'S FINE, TOO.

PERSONALIZATION IS OPTIONAL. IT'S UP TO YOU. YOUR CAR SAYS SOMETHING ABOUT YOU, AND NO ONE SHOULD PUT WORDS IN YOUR MOUTH.

BAZOOKA SUBWOOFER

When you're ready to test *The Low End Theory*, look no further than Bazooka Mobile Audio. Scion proudly offers two types of amplified Bazooka subwoofers, both with dual voice coils and 100 watts of power.

In the xA and xB, the legendary 8" Bazooka tube fits conveniently into the cargo space.

For the tC, Bazooka created a specially designed enclosure that hugs the contours of the right rear cargo wall. The 10" woofer definitely gets down, providing thunderous lows without sacrificing storage space.

SATELLITE RADIO*

Are you tired of the same old FM radio stations, with the same songs every hour, endless commercial breaks, bad reception, and puritanical censorship policies? Step up to satellite radio. Satellite offers a huge variety of channels, commercial-free and uncensored.

The standard upgraded Pioneer sound system features Satellite Radio Control capability, good to go when you accessorize with the optional satellite radio tuner and antenna. And Scion now offers both of the most popular satellite radio services in the country:

XM*

With powerful satellites traversing the earth's upper atmosphere, you're never out of range with XM Satellite Radio. With over 160 digital channels of news, sports, talk, comedy and more to choose from, XM offers its subscribers the freedom from static, from distortion, and from the frustration of driving out of range in the middle of a jam. All of XM's music channels are 100% commercial-free, featuring the most sports play-by-play in satellite radio - all heard coast to coast in digital-quality sound.

But the benefits of XM don't just end there. To keep your Scion out of a jam, the XM Instant Traffic & Weather channels provide you with constant traffic and weather conditions. Get continuous, real-time updates for major metropolitan areas across the United States 24 hours a day, seven days a week.

SIRIUS*

SIRIUS delivers digital quality from three satellites in constant orbit over the lower 48 states. For the price of one CD each month, SIRIUS offers over 120 channels of music, sports, and entertainment. Roll with the ups and downs of play-by-play coverage of the NFL, NBA, and NHL. Get uncensored hip hop on the Shade 45 channel, where Marshall bites his thumb at the FCC. Pose with the Faction channel, with hosts Kelly Slater, Tony Hawk, and Bam Margera. Or embark on a long, strange tangent with Bill Walton as he waxes poetic. Whatever your trip might be, SIRIUS has you covered, from the left coast to right, from Howard Stern all the way to the Fox News Channel.

* Satellite radio requires XM or Sirius compatible receiver and monthly service fee. See your Scion dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at www.xmradio.com or www.sirius.com. Available only in the 48 contiguous United States.
